Over the past two years, I have tutored several younger peers in both English and History, helping them navigate the complexities of these subjects. My tutoring approach is highly personalized, focusing on the individual needs and learning styles of each student. I emphasize critical thinking and analytical skills, which are crucial for excelling in IB exams and beyond. Having achieved top marks in both my IB and university studies, I am well-equipped to offer practical tips and strategies that go beyond mere rote learning.
